

A magical Hats And All New Year party at Abbotsleigh Care Home

On New Year's Eve we all enjoyed a social 'Hats and All' party here at Abbotsleigh Care Home.

We made some beautiful masks and collected an array of hats, feather boas and bow ties to dress up with, which was a good giggle!

We also welcomed **Magician Daisy**, who came in to add some of her magic to the event, with the aid of some helpers including Annette, Eddie, Jeremy, Ruby, Jean and Jenny.

With and a few loud "*Abracadabras*" we toasted in the New Year; our residents and their families, along with our staff, enjoyed singing in the new year.

We were delighted that our magical party was such a success. *Happy 2020 everyone!*
