

## A musical time at Abbotsleigh Care Home

**We had a very musical week at Abbotsleigh Care Home at the end of January.**

We've invested in a **karaoke machine** and what an absolute hit it has been with our residents, filling an afternoon recently with singing, dancing and laughing!

The music continued with a visit from the lovely **Kevin Walsh** who came to entertain our residents with his lovely voice and super medley of hit songs; we were particularly pleased that some of our families stayed and enjoyed his show.

We've also had **Ruben our PAT dog** in to visit us again. As always, he's a huge hit with our ladies and gents, with his lovely character and temperament.
