

Abbotsleigh Care Home residents visit Millbrook Garden Centre

On Monday 15 June our Abbotsleigh Activities Co-Ordinator took 6 residents to Millbrook Garden Centre, while they were celebrating their **Rose Festival Week**. The wonderful sights and smells were something to behold and our residents were all impressed by the gorgeous flowers especially the roses. One of our ladies found the strawberry plants complete with some ripe fruits, ready for eating!

No trip out is complete without a fresh cup of tea and homemade cakes so we made sure to squeeze in a visit to the Caf , before setting off **Home**. All of the residents really enjoyed themselves, you could tell from the lively singsong we had while driving back on the **Mini Bus**. Getting out and about is essential for maintaining a varied and interesting life so here at **Abbotsleigh**, we go that extra mile and ensure there is always something for everyone to do and enjoy.
