

Abbotsleigh Care Home birthday celebration and swing singer

Our lovely resident Moira celebrated her 79th birthday recently here at Abbotsleigh Care Home.

She had a super time with her friends and family who came to visit and she was delighted with her special strawberries and cream birthday cake!

Easter treats!

As part of our Easter celebrations we were visited by 'Miss Holiday Swing', who gave us a beautiful performance, as always, with her wonderful singing and bright personality. We also enjoyed a busy week of Easter arts and crafts, and of course an Easter egg hunt!

Our residents continue to enjoy relaxing *Namaste* at **Abbotsleigh** - as you can see from our picture of Kenneth, who kept well hydrated throughout his latest session!
