

## Abbotsleigh Care Home hosts Macmillan Coffee Morning

**We had some very kind donations of cakes and biscuits from staff and family members for our Macmillan Coffee Morning, which we held last week here at Abbotsleigh Care Home.**

Our ladies and gents very happy with their treats and it's always so nice when everyone gets involved.

Our next charity event is 'Wear Pink Day' on Friday 21 October in support of **Breast Cancer Awareness Month**. *We can't wait to see what our staff and family members come up with!*
