

## Abbotsleigh Care Home relative Beryl braving the shave for charity

The daughter of a resident here at Abbotsleigh Care Home is 'braving the shave' on Saturday 14 September and having all her hair shaved off to raise money for Macmillan Cancer Support.

**Beryl** hopes to visit us at **Abbotsleigh** on Friday 27 September during our **Macmillan Coffee Morning**, to show us her new 'do'!

We are so inspired by her for doing something so brave, and raising money for such a brilliant charity. She has already exceeded her **£150 fundraising target**, but we're hoping to spread the word so she gets even more!

Here is Beryl's link to her fundraising page, where she will post her 'before' and 'after' photos:

***Good luck Beryl - what an amazing thing to do!***
