

Abbotsleigh Care Home residents are happy campers

We all had a great time 'Carry on Camping' in Scotland here at Abbotsleigh Care Home on Thursday 23 September.

We started our day off with a bowl of **Scottish oats** and then went **sightseeing** to see if we could spot the famous **Loch Ness monster Nessie** – *try as we might we couldn't find her!*

Kevin Walsh came to visit and provided some fantastic musical entertainment (complete with his Scottish red hair and hat!) and some of us **danced a jig or two**.

We also shared some games and enjoyed **Scottish shortbread, tea cakes and a 'wee dram' of whiskey**.

Thankfully our tent didn't blow away!

Entertainment from Kevin Walsh, with a turn on the dance floor!
