

## Abbotsleigh Care Home residents enjoy a coronation day party

**What a wonderful coronation weekend we had here at Abbotsleigh Care Home!**

*Such a lovely coronation and to top it off, our crown came 2nd in [Nellsar's Crafty Crown competition](#) – well done to our residents for their wonderful creativity.*

**The new king popped in to see us** for a spot of Nosecco and our Chef made **fabulous cupcakes** and a wonderful large **coronation cake**.

Our very own Queen Viv (Recreation and Well-Being Manager) make an appearance under our **balloon arch** and we placed the crown on the king's head, with everyone wearing hats with King Charles on and **waving flags** while we watched the coronation in our red lounge.

Some of our residents remember the first coronation; how lovely for them to see this one too.

***A super day of celebrations!***
