

Abbotsleigh Care Home residents enjoy a Nandos lunch

Our residents at Abbotsleigh Care Home recently enjoyed a lunch trip out to our local Nando's.

The venue was Vera's choice and everyone loved it – eager to sample the different flavours and try the spicy sauces. Victor and Bobbie enjoyed a lovely cold beer too!

Rosemary has recently been busy pressing dried English flowers and this week we placed them into sheets and had them laminated. They have made beautiful coasters and window decorations for our **Home**, which everyone can enjoy. *Thank you Rosemary!*

Finally, we are delighted to say that our lovely Cupcake Day display managed to **raise £37 for the Alzheimer's Society**. *Thank you to everyone who generously donated.*
