

## Abbotsleigh Care Home residents enjoy a scavenger hunt

**Our residents at Abbotsleigh Care Home got their thinking caps at the ready recently when we organised a fun activity for them – a scavenger hunt!**

Our ladies and gents had to **follow clues and look for certain items around our lounges**. The clues were colour coded and the residents who found them all **won prizes**.

We even got the dictionary involved for more technical clue finding!

*Such great fun and lots of smiling faces!*
