

Birthday celebrations and dog racing fun at Abbotsleigh Care Home

We had some fun last week here at Abbotsleigh Care Home, as Phil came to visit with his interactive dog racing game, which was a big hit with our residents.

Some of our ladies did some **planting of cuttings too**, which is always a rewarding and relaxing activity, and we love watching how our plants grow.

We also celebrated a very special birthday last week when our lovely resident **Emily turned 102!** She didn't want a big fuss, but very much appreciated the cards we made for her.

Many happy returns Emily!
