

## Abbotsleigh Care Home residents enjoy ball games and horse visit

**This week we've enjoyed some activity games with our residents, led by Phil here at Abbotsleigh Care Home.**

We played **ball games** which included trying to get pin balls into a cup. Doreen led the way along with Josie - it's trickier than it looks!

When it came to darts, Rose showed us how it was done, hitting a bullseye! Doreen and Vera pulled up the ranks with some great concentration and wrist moves.

Our **lovely horses** came to visit in the week too, much to the delight of Carol and her visiting daughter.

We also had **Staplehurst Free Church** in to visit and Louis really enjoyed singing '*Lord of the Dance*' with all of us.

We've also been looking ahead to the spring, with some **bulb planting**. We can't wait for a beautiful display next year. *Watch this space!*
