

Abbotsleigh Care Home residents enjoy Chinese New Year in Hong Kong

We had a wonderful time on our virtual trip to Hong Kong last week here at Abbotsleigh Care Home and were excited to celebrate Chinese New Year when we arrived!

We made a special display for our residents to enjoy, with **photographs of Hong Kong, Chinese lanterns**, our **residents' passports** ready to go, as well as **Chinese lucky envelopes** to celebrate the New Year.

Our ladies loved our pretty **parasols and Chinese fans** and we had a travel program on our Smart TV, showing beautiful images of Hong Kong.

To make the event complete, we served a delicious selection of **Chinese-themed food for lunch and supper**, with beautiful table settings to really bring the whole experience to life;

Hong Kong Day Lunch

Sweet and Sour Chicken with Noodles or Fish Pie

Served with sprouts and baby carrots and a choice of mashed potatoes or noodles

Fruit salad

Supper

Spring rolls, dumplings and sesame prawn toast

A selection of sweets from our trolley

Doughnuts

We all enjoyed such a fun day and we're looking forward to our next trip already!
