

## Abbotsleigh Care Home residents enjoy the sights and sounds of Italy

We are delighted that our residents had a wonderful time last week on our virtual Cruise to Italy here at Abbotsleigh Care Home.

We decorated our **Home** with Italian flags, and posters, and our Chefs created a bountiful spread, with an amazing **Italian menu** for both lunch and tea.

### ***It consisted of;***

#### **Lunch**

*Pizza*

*Spaghetti and various antipasti*

*Tiramisu*

#### **Teatime**

*Antipasto platters*

*Minestrone soup*

*Forest fruits panna cotta*

As part of the fun we had our very own **Mona Lisa cut out**, which was hung in pride of place and we also made some **art** ourselves, using different coloured pasta pieces.

One of our Carers also brought in some of her **mementos from travelling in Italy** which we all enjoyed seeing.

A highlight of the celebrations was **Italian singer and guitarist, Santino Fabbricatore**, who performed outside the front of our **Home**. He entertained our residents with some romantic Italian songs, which was thoroughly enjoyed by everyone.

*A fantastic day, full of colour and fun!*
