

Abbotsleigh Care Home residents enjoy their French Day

Last week our residents at Abbotsleigh Care Home reached French shores on our Around the World with Nellsar Cruise.

We had a day full of laughter and 'ooh la las' as we embraced French culture and decorated our **Home** in red, white and blue.

We were entertained by a singing duo called, **Running Horse**, who performed for us outside in the sunshine. Everyone enjoyed the wonderful music, **singing and dancing** together.

Our residents also loved sampling some **French cuisine**, including some delicious chocolate eclairs! *Yum!*

The celebrations brought back lots of memories of travels to France in the past.

We're looking forward to visiting the Carriibbean next month!

Enjoying the live music
