

Abbotsleigh Care Home residents enjoying art and games

Following on from the popularity of Wimbledon here at Abbotsleigh Care Home, our residents have been enjoying some Commonwealth games-related activities.

Football fever

We have been inspired by the Lionesses playing football this week and the Commonwealth games, with some hover football and chair sports. *We had great fun!*

Art and music

This week we have been painting in the garden with some new friends and we've enjoyed music from Rob T, which everybody loved singing along to.

We are big music fans at Abbotsleigh Care Home!
