

Abbotsleigh Care Home residents have a fun-filled start to 2022

Starting 2022 with sweet treats and flowers

We started the new year off with a lovely tea party last month at Abbotsleigh Care Home.

Our Chef made a **beautiful cake and some cupcakes** with lots of sparkles and some refreshing cups of tea!

Some of our ladies also got stuck in to some **flower arranging**; Pat, Jenny and Rose made some beautiful floral decorations for our **Home** which they thoroughly enjoyed.

Chinese New Year

We made **Chinese lanterns** and some **lovely panda pictures** this month to celebrate the Chinese New Year.

We loved decorating our **Home** with **colourful New Year posters**, featuring the year of the Tiger, and welcoming our wonderful **volunteers Dom and Caroline** to join in the fun!

Flavoured teas and **fortune cookies** were also on the menu – great fun was had by all!

Winter sunshine

We have been enjoying our warmer winter days by **going for walks** along our driveway – great for some fresh air in the sunshine and lovely to be close to nature.

New Year sweet treats and flower arranging
