

Abbotsleigh Care Home team prepare second donated collection for Ukraine

At Abbotsleigh Care Home our staff and residents have gone above and beyond in their support of the Ukrainian Appeal and our second collection of donations is nearly ready to leave our Home.

Within the first week of collecting, we had a boot full of clothes, jackets, blankets and food, which Bibi dropped off at a school collection point.

One of our residents has also started knitting scarfs to go into our donation box; she says *'It's for the children'*.

We will prepare our items soon for our next drop off.

Huge thanks to our staff for all their efforts.
