

Alina makes delicious pancakes at Abbotsleigh Care Home

We all love Pancake Day here at Abbotsleigh Care Home and once again this year we celebrated it in style!

Our pancake feast was led by our **Manager Alina** who whisked up an amazing batter and was once again our **champion pancake maker!**

Our residents enjoyed their scrumptious pancakes with a selection of different toppings including **cream, syrup, blueberries** and **raspberries**. *Yum yum yum!*

Thank you Alina for such a wonderful treat!
