

Beautiful vintage car and celebrating our staff at Abbotsleigh Care Home

Car craft

Our talented Abbotsleigh Care Home resident Peter has helped to renovate this stunning vintage car with his son.

The pair have spent many hours together on the restoration and Peter's son now maintains and looks after the car on behalf of them both.

He kindly brought it over for Peter and himself to enjoy together, once again. *We all enjoyed admiring their incredible handiwork!*

Dedicated service

Last week we had the privilege of celebrating our **Nurse Aksa**, who has **worked at Abbotsleigh for ten years.**

Thank you Aksa, for your decade of hard work and commitment to our Home!
