

## Bingo and baking at Abbotsleigh Care Home

We've been working hard on our 'Wildlife Engagement' Nellsar in Bloom entry this month here at Abbotsleigh Care Home and are excited to submit what we've done at the end of September (....watch this space!).

Last week we enjoyed our popular **Coffee Morning** on Wednesday, which is always a great chance to catch up and have a natter!

**Bingo** was on the menu on Friday too. Our ladies and gents really love our bingo sessions and there's always lots of anticipation in the room, waiting for someone to call out that they've won!

A highlight of the week was our Manager Alina hosting a '**Baking with**' session, as part of our all-inclusive **Home** approach. She prepared and demonstrated making fruit pancakes, which smelled wonderful and tasted even better! This activity really brought our residents together and we will be inviting other members of our team to do similar shared sessions, to get to know our residents and include everyone in activities.
