

Birthday celebrations and crafts at Abbotsleigh Care Home

Many happy returns!

We've enjoyed celebrating two birthdays recently here at Abbotsleigh Care Home; Ruby had a happy 91st birthday with her daughter and Jean turned 92 years young!

Both our birthday girls enjoyed their **cakes** and being spoilt for their special days.

Arts and crafts

We've had fun making some **pinch bowls, beads** and a **very handsome turtle** all from **clay**, which we will paint when they have dried. Brenda really enjoyed the clay – such a relaxing pastime.

Some of our residents have also been making some **festive lavender and spice bags**; Mary thoroughly enjoyed this and it was wonderful to smell the seasonal scents.

We also decorated some **Christmas jumper pictures for Benenden Hospital** to display, to brighten up their patients' day!

We enjoyed working with clay
