

Birthday celebrations and fancy manicures at Abbotsleigh Care Home

We've had a busy few weeks at Abbotsleigh Care Home, with lots of music, fun and creativity with our residents.

We threw our lovely resident **Jerry H a karaoke birthday party** in his room which was so much fun! We loved being with Jerry, singing and dancing along with him to his favourite old songs. He enjoyed opening his birthday presents and he loved his new cosy winter coat from his son.

We started to create some **Halloween decorations** with our residents last week and '*fancy manicures*' are becoming a firm favourite with our ladies – they love choosing their favourite colours and selecting the nail patterns to complement them. *Looking good!*
