

Birthday celebrations for Ruby with Kevin Walsh at Abbotsleigh Care Home

We were delighted to have the wonderful singer Kevin Walsh at Abbotsleigh Care Home on Thursday 24 November, performing a set of his songs for our residents.

He got the whole room **singing along** with his fantastic voice and engaging personality.

It was **Ruby's birthday** so we all sang 'Happy birthday' to her and she was lucky enough to have **two cakes!** One was made especially by her daughter, which brought a big smile to her face. *Many happy returns Ruby!*

After all the fun, a couple of residents had a nice cup of tea in our coffee shop.

What a lovely day!
