

Burns Night treats at Abbotsleigh Care Home

On Burns Night our residents at Abbotsleigh Care Home enjoyed making some thistle decorations and listening and singing along to some Scottish songs.

Our ladies and gents thoroughly enjoyed their lunch with a choice of **Scottish salmon, haggis and tatties** and **cake** with a 'wee drop of whisky'.

For tea, we enjoyed smoked **Scottish salmon** with salad and **delicious cupcakes** for dessert.

A thoroughly delicious day enjoyed by all!

Cuddling up on Burns Night!
