

Celebrating Mothers Day at Abbotsleigh Care Home

We had a joyful Mothering Sunday at Abbotsleigh Care Home at the weekend and our residents are still talking about it this week!

We made **pretty posies of flowers** for all our residents to enjoy and decorated our tables for a very nice tea, provided by our Chefs.

We sang some **songs** and ended up with '*Seasons in the sun*'.

A number of our residents also had **garden visits from their families** and some of us went out for a walk in the glorious sunshine.

A very happy Mother's Day was had by all.
