

Christmas activities at Abbotsleigh Care Home

Festive music

We welcomed the lovely Rob T to Abbotsleigh Care Home recently, who came to entertain us – what a festive delight.

We were all so happy and thoroughly enjoyed dancing. *Our Head of Care Alexandra couldn't help but join in too!*

Snowy fun and decorations

What a lovely snowy week we enjoyed recently too. We **made our own snow globes**, decorated our Christmas trees and had some festive fun!

Our wonderful Maintenance men made such a **fantastic snowman**, we wished he could stay!

Another snowman made it into the building and threw a giant balloon around to the delight of our residents.

Christmas tree decorating and snowman fun!

Seasonal arts and crafts

Some lovely crafts have also been happening here at Abbotsleigh; our residents had fun **creating their own Poinsettia flower prints** using sponges and paper plates; they look so Christmassy.

We are definitely all feeling the festive spirit!

Our Poinsettia prints
