

Creative activities and a visit from the RDA horses at Abbotsleigh Care Home

Here at Abbotsleigh Care Home we are catching our breath after the excitement of the Jubilee!

We've had fun **making seed bombs** with Kirsty and enjoyed exploring some **sensory bottles** and **cards with tactile materials** on them.

Some of our residents have been doing some **painting**, while someone have loved the simple pleasure of a **good book**.

We were delighted, as always, to welcome the **Riding for The Disabled (RDA) horses** in the wonderful sunshine this week. We always look forward to the volunteers visiting and our residents thoroughly enjoy getting up close to such magnificent animals.
