

Deliciously decorated pancakes at Abbotsleigh Care Home

We enjoyed celebrating Shrove Tuesday here at Abbotsleigh Care Home this week.

Two of our residents, Marion and Jeremy, were excited to be involved in pancake decorating (...whilst eating some too!) with our catering team.

We all had such a good giggle, stacking our pancakes - we were worried that they were going to topple over!

The pancake masterpiece pictured above was our entry into the pancake competition organised by our Recreation and Well-Being Manager, Viv Stead. We were proud of how it looked - and it tasted great too!
