

Dreamboats and Petticoats at Abbotsleigh Care Home

We were treated to a wonderful performance of 'Dreamboats and Petticoats' from the very talented Jasmine Kittermaster outside Abbotsleigh Care Home last week.

Our fabulous Manager **Alina** and Well-Being Team Lead **Shell** joined in the show and were Jasmine's brilliant backing dancers!

Our ladies and gents were all smiles as they listened to the uplifting music during the performance.

We also celebrated 'Italian Day' at our **Home** with **cheese and wine tasting** (and of course **ice-cream!**) which was a big hit with our residents.

And one of our fantastic families popped some **cakes and treats** down to us for our staff team and made us some **lovely thank you pictures**; these were so lovely to receive and we are so grateful to all our families for their support and kindness.
