

Easter crafts and egg hunting at Abbotsleigh Care Home

Easter crafts were in full swing here at Abbotsleigh Care Home last week, in celebration of spring.

Little Easter baskets were made by our residents ready for our **Easter egg hunt!** They then went to the garden and hunted down the eggs that the Easter bunny had hidden that day.

We even had a little **bunny visitor** (if you look closely in the pictures!) and spotted some beautiful **small violets** on our lawn.

Such great fun, with lots of **chocolate treats** for everyone to enjoy! *A very happy Easter all around!*
