

## **Easter crafts and mocktails at Abbotsleigh Care Home**

**We've had another fantastic week of activities here at Abbotsleigh Care Home; in fact it's been a very Abby-Easter!**

We've enjoyed making Easter cards with our residents, who chose an Easter bunny or springtime theme to paint. We emailed photos of these to our families who were so happy to receive them.

A very smiley Easter bunny made an appearance on Easter Monday, dropping off Easter eggs to all our residents which was such great fun and it was lovely to see their delighted reactions.

We've also carried on with our Easter and spring decorations, with some brilliant decorated Easter egg pictures to display on our walls.

And to top the week off we threw a little impromptu party at Abbotsleigh – and why not?! We dressed up with Hawaiian garlands and enjoyed some freshly made mocktails in the garden – a team effort created by our Chef and Recreation and Well-Being Team.

*Delicious!*
