

Easter crafts and pampering at Abbotsleigh Care Home

We've loved making a start on our Easter decorations here at Abbotsleigh Care Home over the last few days.

We've seen lots of enthusiastic painting and colouring of **Easter-themed pictures and decorations** amongst our residents which is lovely to see. We love how relaxing arts and crafts are! One of our gentlemen enjoyed a word search too - great for the keeping the eyes keen!

Our Recreation and Well-Being Champions Esme and Shell have been treating our ladies with some **hair styling and pampering**; our ladies love having their hair done and being made to feel so special.

We've also been on lots of **walks within our grounds** this week, enjoying the fresh air and flowers.
