

Enjoying football and chocolate at Abbotsleigh Care Home

Football fun

We were all excited by Euro 2020 here at Abbotsleigh Care Home, following the games match by match and filling in our score sheets.

After an amazing effort we were runners up, but we're all looking forward to next year's world championships.

Until then we have our sights on the upcoming **summer Olympics** and we are all going to cheer on team GB!

World Chocolate Day

We all enjoyed celebrating a delicious **World Chocolate Day** this month!

We served **chocolate mousse, chocolate yogurt, chocolate milkshakes, chocolate bars** and **chocolate ice cream!** *What heaven!*

Along with our tasty treats we shared a few quiz questions and other trivia, which made for a fantastically chocolatey day! *Yum!*
