

Enjoying the garden at Abbotsleigh Care Home

We've really been making the most of the sunshine (*while it lasted!*) here at Abbotsleigh Care Home.

Our ladies and gents have been **sharing pleasant moments** together, a little **gardening, drinks and ice-cream**, and **spoiling our chicks!**

Our resident **Ray recently celebrated his 57th wedding anniversary with his wife** and they enjoyed exchanging presents. Kirsty and Ray planted out an anniversary gift from Ray's wife – a beautiful hydrangea plant.

What a thoughtful gift – huge congratulations to them both!

Planting the hydrangea
