

Fathers Day fun at Abbotsleigh Care Home

For Father's Day we organised a '*Burger and Chips Afternoon*' for all our lovely dads here at Abbotsleigh Care Home, which went down a treat with our gents!

Some of our ladies helped with the **decorations**, including some wonderful decorated tie pictures.

It was lovely to **welcome family members** in to share the celebrations and our gents thoroughly enjoyed opening their **cards and gifts** over the course of the day.

What a happy Father's Day!
