

## Fathers Day posters and pancake delights at Abbotsleigh Care Home

**Our residents were busy creating Father's Day pictures and ties to display around our Home for the celebrations on Sunday at Abbotsleigh Care Home. We enjoyed a lovely day and made sure all our fathers were spoilt!**

Our brilliant **Manager Alina** treated us all to more of her cooking skills too! This time **Romanian pancakes** were the order of the day, made with vanilla sugar, orange essence and rum essence. The aroma around our **Home** was amazing!

Our residents thoroughly enjoyed them, as did our staff. We also made some home-made ice lollies as well, so we've all been enjoying lots of tasty treats!
