

## Festive activities at Abbotsleigh Care Home

### Decorations and dancing

We enjoyed getting festive at Abbotsleigh Care Home in December, including making Christmas wreaths and snowmen and gingerbread men hanging decorations.

Jen, Yvonne and Brenda enjoyed supervising our **decorations** and adding some sparkle to our little **Christmas trees**.

Yvonne also loved having a **dance**, which got Brenda up boogieing too, dancing with Jen!

### Christmas carols

We all enjoyed singing some **Christmas carols** together. Joan loved counting the beat for us and Jerry serenaded us all!

Marion enjoyed the music, Carol **danced with our Elf** and Jenny and Betty loved singing and dancing. Ruby sang, with Joan joining in and Jenifer added a musical note, along with James, Patricia and Jenny. James met our friendly Elf, as did Marion. *Lots of festive fun!*

## Surprise horse visit

Our **local horses came to visit us at our Home** with a surprise – *they were dressed as 'reindeer'!*

Patricia really enjoyed feeding them and Rose also braved the cold to bring them apples. Antonio watched the horses very intently.

*Everybody thoroughly enjoyed the festive visit from such beautiful creatures.*
