

Festive filled outing at Abbotsleigh Care Home

This week has been filled with fun here at Abbotsleigh Care Home!

We took a trip to Milbrook Garden Centre for lunch and a browse around all the beautiful Christmas decorations and gifts on offer.

During the week we have had two church services; one was a Remembrance service and the other was from Staplehurst Free Church, where we sang several hymns and talked about *Children in Need*.

We were also visited by *Animalia*, who brought in a variety of animals that we could stroke and hold, including a baby corn snake and a 'Skinny Pig' - a hairless Guinea Pig, which some of our residents found really funny!

We also had an engaging performance from singer Kevin Walsh and a visit from the hairdresser.

Alongside all of these activities, we made sure we had plenty of one-to-one time with our ladies and gentlemen, which is always very special.
