

Fish and chips and festivities at Abbotsleigh Care Home

We've been getting ready for Christmas here at Abbotsleigh Care Home and the outside of our Home looks amazing and so festive.

All our residents enjoyed a very tasty fish and chip 'Fake away' recently – our version of take away fish and chips – which they absolutely loved!

We've been helping our residents make and create Christmas cards for their families too.

And we celebrated International Aviation Day! We were able to find model aeroplanes just like our residents remember as children. This was a lovely activity and the stories from childhood were fascinating.
