

Flower Show fun at Abbotsleigh Care Home

We held our very own Abbotsleigh Care Home Flower Show last week in celebration of this year's Chelsea Flower Show which is such a popular annual event.

Our residents were very enthusiastic about taking part and created some **wonderful flower displays**. We loved all the wonderful flower scents and seeing such concentration for the competition!

Our guest judge was Nellsar's Nutrition and Wellness Manager **Leni**, who was thrilled to be involved.

Well done everyone who took part, including our three winners who were delighted with their rosettes!
