

From crafts to curries at Abbotsleigh Care Home

Our residents at Abbotsleigh Care Home enjoyed lots of creative activities last week including making decoupage trinket boxes, using leaves to print onto canvas and creating greetings cards using foam sticker shapes.

We have been lucky to spend some **time in our gorgeous garden** too, and even had a little beer for **National Beer Day!**

Our Chefs also helped us to celebrate **Indian Independence Day** in style, with a **delicious food** spread which was so tasty with so much thought going into the flavours, textures and presentation. *Everyone thoroughly enjoyed their meals which were much appreciated as part of our day of celebrating.*
