

Furry friends at Abbotsleigh Care Home

Our timetable is always full with interesting activities here at Abbotsleigh Care Home and last week was no exception.

We had some wonderful musical sessions, including performer Kevin who came in and delighted our residents with singing, dancing and one-to-one interaction, bringing lots of big smiles to our **Home**.

Our residents also enjoyed some pampering sessions too, including hand massages and nail treatments, which are always a great way to relax and unwind.

A highlight of the week was our very own 'Scruff Dog Show' - with 3 doggie entrants! The dogs were kindly brought in by staff and the family of one of our residents. They each spent time being introduced to our ladies and gents and were walked around to show off their good looks.

Our residents got to vote on categories including the '*cutest dog*' and '*dog with the waggiest tail*! One of our volunteers also tested the dogs' obedience, encouraging them to sit for a treat.

It was great fun and fantastic to have such friendly furry visitors!
