

Halloween crafts and pumpkin carving at Abbotsleigh Care Home

We started our week off with some Halloween crafts - with cards and lots of glitter! - here at Abbotsleigh Care Home, which went down well with our residents.

Some of our ladies and gents enjoyed dressing in **Halloween accessories** and also took time to do some **pumpkin carving**, which was great fun. We didn't release how many seeds were inside them!

We also welcomed a wonderful singing group to our **Home** - an acoustic duet group called *Running Brook*. Their music was very popular with our ladies and gents and there was a lot of foot tapping and singing along!
