

Happy birthday Brian at Abbotsleigh Care Home

And thank you Jenny for watering the plants!

Abbotsleigh Care Home resident Brian celebrated his birthday last week, receiving a delicious cake – iced and decorated with fresh raspberries and blueberries – to share with his family and other residents at the Home.

Throughout the week, residents enjoyed creative arts & crafts as part of the Home's preparation for its **Summer Fete (22 August)** and singer Kevin Walsh paid us a visit to entertain with his singing. Many residents had a dance in their chairs to the music!
