

Happy birthday to Jenny and the Queen at Abbotsleigh Care Home

Our lovely resident Jenny celebrated her 80th birthday with all of us at Abbotsleigh Care Home on Wednesday 9 June.

She had a super day, spending time with her **family** out in our beautiful **garden** and having fun opening her cards and presents. She was delighted with her **birthday cake** too.

And Jenny was in good company, as the **Queen** also celebrated her birthday on Saturday 12 June, so we made sure we marked the event with plenty of **Union Jack waving!**

Many happy returns to them both!
