

Happy horse visit at Abbotsleigh Care Home

We are always so happy to see our local riders visit Abbotsleigh Care Home with their beautiful horses.

Our residents' faces light up when they see these beautiful creatures and they love making a fuss of them!

We also had a visit from some **teddies** recently too! Kirsty from our staff team drew teddy bears with our residents and also made some with felt. *Great fun!*

Teddy bears came to visit!
