

Horsing around at Abbotsleigh Care Home

Residents here at Abbotsleigh Care Home have enjoyed another lovely week with music, singing and horses.

Dave C singing

The lovely Dave C came to **Abbotsleigh** to sing for us; He sang some soft, easy listening country music which was very nice on the ears.

There were lots of smiles!

Local riding school

We also had the horses from our local riding school come to visit, which our residents love – especially on these sunny days.

Nellsar Garden competition

We have also been preparing for the upcoming garden competition as it draws to a close this week. Our residents painted the shed in the garden and some flowers the 'Queen of Hearts' would be proud of.

We rewarded everyone's hard work with some yummy tea and scones in the garden
