

Horsing around at Abbotsleigh Care Home

This week, staff and residents at Abbotsleigh Care Home enjoyed visits from the horses from a local riding school. Residents Doreen and Jenny really enjoyed feeding and stroking the horses and admiring how big they are.

Tickled Pink Productions entertained us with a show which all the families who were visiting thoroughly enjoyed. Our residents joined in with the singing and Pearl really came alive remembering the old hits – clapping and smiling and we're pretty sure if they could've danced they would have!

Supporting Macmillan

We also raised **£100** for the **Macmillan World's Biggest Coffee Morning** on Friday 27 September. Beryl Antcliff, a family member of one of our residents, decided to go for the big shave and has raised over **£2,000** so far. *Well done Beryl!*

A big thank you to all that helped and donated cakes.
