

More baby shower fun at Abbotsleigh Care Home

We were delighted to host our second baby shower of the month here at Abbotsleigh Care Home!

It was an early one, as our lovely **Alexandra is part of our night staff team**, so our residents were not awake at the time (*they were still tucked up in bed!*).

We decorated a table with all sorts of goodies including some **yummy chocolate cakes, a washing line of new baby clothes, a baby balloon, bunting and plenty of presents.**

Alexandra and George were thrilled with their lovely gifts and we wish them all the luck with their new baby boy – *we can't wait to meet him!*
